

Product overview 2025

# Poultry

## Bacteria

| Product code           | Product name                                                  | Lead time | Unit    | Price       |
|------------------------|---------------------------------------------------------------|-----------|---------|-------------|
| 10574 C, D, T, A       | Antibiogram (culture)                                         | 2         | culture | € 44,85     |
| 11575 C, D, T, A       | Antibiogram Campylobacter (faeces)                            | 2         | sample  | € 44,85     |
| 11574 C, D, T, A       | Antibiogram Clostridium perfringens (faeces)                  | 2         | sample  | € 44,85     |
| 11500 C, T, A          | Antibiogram Mycoplasma synoviae (other animal material)       | 15        | sample  | € 86,15 *6  |
| 10593 C, D, T, A       | Botulinum toxin test (tissue)                                 | 4         | sample  | € 365,00    |
| 10632 C, D, T, A       | Campylobacter culture (faeces)                                | 4         | sample  | € 79,00     |
| 11416 C, D, T, A       | Chlamydia agens PCR ((E)swab)                                 | 3         | sample  | € 42,85     |
| 11955 C, D, T, A       | Chlamydia agens PCR ((E)swab) pooled 2-10                     | 3         | pool    | € 61,25     |
| 11417 C, D, T, A       | Chlamydia agens PCR (tissue)                                  | 3         | sample  | € 42,85     |
| 10900 C, D, T, A       | Clostridium perfringens culture (faeces)                      | 4         | sample  | € 54,95     |
| 12117 C, D, T, A       | Cluster analysis Erysipelothrix rhusiopathiae FT-IR (culture) | 10        | sample  | € 49,50 *12 |
| 12122 C, D, T, A       | Cluster analysis Escherichia coli FT-IR (culture)             | 10        | sample  | € 49,50 *12 |
| 12125 C, D, T, A       | Cluster analysis Klebsiella pneumoniae FT-IR (culture)        | 10        | sample  | € 49,50 *12 |
| 12120 C, D, T, A       | Cluster analysis Listeria monocytogenes FT-IR (culture)       | 10        | sample  | € 49,50 *12 |
| 12126 C, D, T, A       | Cluster analysis Pasteurella multocida FT-IR (culture)        | 10        | sample  | € 49,50 *12 |
| 12124 C, D, T, A       | Cluster analysis Salmonella typhimurium FT-IR (culture)       | 10        | sample  | € 49,50 *12 |
| 12129 C, D, T, A       | Cluster analysis Staphylococcus aureus FT-IR (culture)        | 10        | sample  | € 49,50 *12 |
| 12123 C, D, T, A       | Cluster analysis Streptococcus agalactiae FT-IR (culture)     | 10        | sample  | € 49,50 *12 |
| 12119 C, D, T, A       | Cluster analysis Streptococcus suis FT-IR (culture)           | 10        | sample  | € 49,50 *12 |
| 12118 C, D, T, A       | Cluster analysis Streptococcus uberis FT-IR (culture)         | 10        | sample  | € 49,50 *12 |
| 12010/12017 C, D, T, A | Coryza (avibacterium paragallinarum) genotyping (swab)        | 4         | typing  | € 119,00    |
| 10673 C, D, T, A       | Coryza (Avibacterium paragallinarum) PCR (swab) pooled 1-6    | 3         | pool    | € 56,10     |
| 12148 C                | E. cecorum duplex PCR (cloacal swab) pooled 1-6               | 3         | pool    | € 55,15     |
| 12149 C                | E. cecorum duplex PCR (meconium) pooled 1-6                   | 3         | pool    | € 55,15     |
| 12150 C                | E. cecorum duplex PCR (tissue) pooled 1-6                     | 3         | pool    | € 55,15     |
| 10706 C, D, T, A       | E. coli 078 serotyping (culture)                              | 6         |         | € 31,40     |

| Product code     | Product name                                                                                                                       | Lead time | Unit    | Price      |
|------------------|------------------------------------------------------------------------------------------------------------------------------------|-----------|---------|------------|
| 12042 C, D, T, A | Erysipelas PCR (swab) pooled 1-6                                                                                                   | 3         | pool    | € 56,10    |
| 10571 C, D, T, A | First antibiogram (other animal material)                                                                                          | 2         | sample  | € 44,85    |
| 12099 C, D, T, A | Gallibacterium anatis PCR (swab) pooled 1-6                                                                                        | 3         | pool    | € 51,90    |
| 10578 C, D, T, A | General bacteriological assay (other animal material)                                                                              | 6         | sample  | € 40,50    |
| 11326 C, D, T, A | Hatchery hygiene assessment using rodac plates (1- 40 samples per submission)                                                      | 6         | sample  | € 5,95     |
| 11326 C, D, T, A | Hatchery hygiene assessment using rodac plates (more than 40 samples per submission)                                               | 6         | sample  | € 5,00     |
| 10694 C, D, T, A | Identification of bacterial culture by MALDI-TOF                                                                                   | 3         | culture | € 19,90 *1 |
| 10389 C, T       | Ms/Mg antibody ELISA (serum)                                                                                                       | 3         | sample  | € 3,00     |
| 10388 C, T, A    | Mycoplasma gallisepticum antibody ELISA (serum)                                                                                    | 3         | sample  | € 7,05     |
| 10677 C, T       | Mycoplasma gallisepticum PCR (swab) pooled 1-6                                                                                     | 3         | pool    | € 48,75    |
| 10679 C, T       | Mycoplasma meleagridis PCR (swab) pooled 1-6                                                                                       | 3         | pool    | € 48,75    |
| 10894 C, T, A    | Mycoplasma spp. culture (various materials)                                                                                        | 27        | sample  | € 70,35 *6 |
| 12035 D, T, A    | Mycoplasma spp. PCR (various materials)                                                                                            | 3         | sample  | € 97,65    |
| 10385 C, T       | Mycoplasma synoviae antibody ELISA (serum)                                                                                         | 3         | sample  | € 4,75     |
| 11519 C, D, T, A | Mycoplasma synoviae MS-1 PCR (swab) pooled 1-6                                                                                     | 3         | pool    | € 48,75    |
| 10728 C, D, T, A | Mycoplasma synoviae MS-H PCR (swab) pooled 1-6                                                                                     | 3         | pool    | € 48,75    |
| 10678 C, T       | Mycoplasma synoviae PCR (swab) pooled 1-6                                                                                          | 3         | pool    | € 48,75    |
| 11348 C, D, T, A | Panel for Brachyspira PCR (droppings) (B. intermedia, B. pilosicoli, B. hyodysenteriae)                                            | 7         | pool    | € 59,30    |
| 11917 C, T, A    | Panel for M. gallisepticum RPA/ELISA vaccinated flock(serum)                                                                       | 3         | sample  | € 2,85     |
| 11314 C, T, A    | Panel for Mycoplasma gallisepticum RPA/ELISA (serum)                                                                               | 3         | sample  | € 1,85 *7  |
| 11332 C, T, A    | Panel for Mycoplasma gallisepticum RPA/ELISA (serum)                                                                               | 3         | sample  | € 1,85 *7  |
| 12072 C          | Panel for Mycoplasma synoviae for layers RPA/ELISA (serum)                                                                         | 3         | sample  | € 2,35 *7  |
| 11315 C, T, A    | Panel for Mycoplasma synoviae RPA/ELISA (serum)                                                                                    | 3         | sample  | € 2,30 *7  |
| 11331 C, T, A    | Panel for Mycoplasma synoviae RPA/ELISA (serum)                                                                                    | 3         | sample  | € 2,30     |
| 10939            | Salmonella broad-range serotyping by RIVM (culture)                                                                                | 12        | culture | € 279,15   |
| 11450 C, D, T    | Salmonella broad-range serotyping by RIVM (culture) urgent                                                                         | 4         | culture | € 577,20   |
| 10646 C, D, T, A | Salmonella broad-range serotyping poultry (culture)                                                                                | 3         | sample  | € 69,85 *9 |
| 10963 C, D, T, A | Salmonella culture enrichment MSRV+MKTTn/MALDI-TOF(var.mat)                                                                        | 6         | sample  | € 25,70    |
| 11807 C, D, T, A | Salmonella culture enrichment MSRV+MKTTn/MALDITOF (boot swab, fluff, box liners, swab, faeces, tissue, dust, dragswab)             | 5         | sample  | € 19,80    |
| 12018 C, D, T, A | Salmonella culture enrichment MSRV+MKTTn/MALDITOF (boot swab, fluff, box liners, swab, faeces, tissue, dust, dragswab) (500ml box) | 5         | sample  | € 19,80    |
| 12019 C, D, T, A | Salmonella culture enrichment MSRV/MALDI-TOF (boot swab, fluff, box liners, swab, faeces, tissue, dust, dragswab) (500ml box)      | 5         | sample  | € 13,50    |
| 11805 C, D, T, A | Salmonella culture/ MALDI-TOF (other animal material)                                                                              | 6         | sample  | € 24,90    |
| 11793 C, D, T, A | Salmonella Enteritidis 441/014 DIVA PCR (boot swab, fluff, box liner, swab, tissue, faeces, dust, dragswab)                        | 1         | sample  | € -        |

| Product code     | Product name                                                      | Lead time | Unit    | Price   |
|------------------|-------------------------------------------------------------------|-----------|---------|---------|
| 11581 C, D, T, A | Salmonella Enteritidis 441/014 DIVA PCR (culture)                 | 1         | culture | € -     |
| 12078 C, D, T, A | Salmonella extended serotyping poultry (swab, boot swab, tissue)  | 3         | sample  | € 69,85 |
| 12077 C, D, T, A | Salmonella Pull./Gall. enrichment RVS/MALDI-TOF (swab, boot swab) | 5         | sample  | € 25,35 |
| 12076 C, D, T, A | Salmonella Pull./Gall. enrichment RVS/MALDI-TOF (tissue)          | 5         | sample  | € 92,60 |
| 10384 C, D, A    | Salmonella Pullorum/Gallinarum antibody RPA (serum)               | 2         | sample  | € 1,90  |
| 12092 C, D, A    | Salmonella Pullorum/Gallinarum enrichment + PCR (fluff)           | 4         | sample  | € 51,95 |
| 12085 C          | SE AviPro GVP (water)                                             | 3         | sample  | € 28,75 |
| 11350 C, D, T, A | Second antibiogram (other animal material)                        | 2         | sample  | € 44,85 |
| 12087 C          | ST AviPro GVP (water)                                             | 3         | sample  | € 28,75 |
| 10751 C, D, T, A | Storage of bacterial culture (4 years)                            |           | culture | € 66,15 |
| 12625 C, D, T    | Storage of follow-up cluster analysis (var. mat.)                 | 0         | sample  | € 0,00  |
| 11907 C, D, T, A | Yersinia spp cultivation (faeces)                                 | 4         | sample  | € 43,65 |

## Cell and tissue pathology

| Product code     | Product name                                              | Lead time | Unit     | Price   |
|------------------|-----------------------------------------------------------|-----------|----------|---------|
| 10944 C, D, T    | Histological examination (hematoxylin and eosin staining) | 7         | sample   | € 55,00 |
| 10674 C, D, T, A | Histopathologic intestinal scoring (gut)                  |           |          | € 83,15 |
| 11605 C, D, T, A | IHC stainings                                             | 2         | staining | € 45,70 |

## Clinical chemistry

| Product code     | Product name                                                                                                                                                                                                      | Lead time | Unit   | Price   |
|------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|--------|---------|
| 10316 C          | Fatty liver comb.test: TG analysis (organ) pooled max 5                                                                                                                                                           | 4         | pool   | € 40,85 |
| 10307 C, D, T, A | Lead (heparin)                                                                                                                                                                                                    | 2         | sample | € 90,30 |
| 11666 C, D, T, A | Magnesium (serum)                                                                                                                                                                                                 | 2         | sample | € 16,00 |
| 12138 C          | Panel general screening (serum) (ALP, AST, CPK, LDH, albumin BCG, total protein, total bilirubin, phosphate, triglycerides, calcium, albumin/globulin ratio, sodium, potassium, chloride, cholesterol, magnesium) | 2         | sample | € 43,95 |
| 11655 C, D, T, A | Vitamin E (serum)                                                                                                                                                                                                 | 10        | sample | € 51,95 |
| 11657 C, D, T, A | Vitamin E (serum) pooled 4-6                                                                                                                                                                                      | 10        | pool   | € 65,55 |

## FTA card

| Product code     | Product name                                           | Lead time | Unit   | Price        |
|------------------|--------------------------------------------------------|-----------|--------|--------------|
| 11949 C, D, T, A | ALV (several types) en REV PCR (FTA card) pooled 1-4   | 3         | pool   | € 51,90      |
| 11470 C, T       | Aviadenovirus I/III EDS PCR (FTA card) pooled 1-4      | 3         | pool   | € 52,55      |
| 11466 C, T       | Aviadenovirus I/Siadenovirus PCR (FTA card) pooled 1-4 | 3         | pool   | € 52,55      |
| several C, T     | Aviadenovirus type I genotyping                        | 6         | typing | € 102,00 *10 |

| 11504 C, D, T, A | Turkey rhinotracheitis virus PCR (trachea swab) pooled 1-6                                                                                                                                                                                   | 3         | pool   | € 52,55  |
| 11935 C, D, T, A | VIR-check (swabs) pooled 1-10                                                                                                                                                                                                                | 5         | pool   | € 107,15 |

## Water

| Product code  | Product name                                         | Lead time | Unit   | Price   |
|---------------|------------------------------------------------------|-----------|--------|---------|
| 10519 C, D, T | Livestock drinking water bacteriological examination | 10        | sample | € 49,00 |

| Product code  | Product name                                                | Lead time | Unit   | Price    |
|---------------|-------------------------------------------------------------|-----------|--------|----------|
| 10522 C, D, T | Livestock drinking water bacteriology + clinical chemistry  | 10        | sample | € 99,00  |
| 10524 C, D, T | Livestock drinking water chemical examination               | 7         | sample | € 69,00  |
| 10960 C, D, T | Livestock drinking water heavy metals                       | 7         | sample | € 44,00  |
| 10543 C, D, T | Livestock drinking water microbiological + chemical examin. | 10        | sample | € 116,00 |
| 10542 C, D, T | Livestock drinking water microbiologically                  | 10        | sample | € 72,00  |
| 11650 C, D, T | Livestock drinking water Salmonella test                    | 10        | sample | € 49,00  |

- C**=Chicken, **D**=Duck, **T**=Turkey, **A**=Avian (no poultry)
- \*1** Do you also require a susceptibility test? Choose article no. 10574 as well.
- \*2** Always contact GD before submitting these samples. Price applies to 8 samples/submission.
- \*3** Based on a minimum of 18 samples at article 10377.
- \*4** If positive, genotyping (article no. 10630) is performed automatically.
- \*5** If positive, genotyping by sequencing (article no. 10606) is performed automatically.
- \*6** Always contact GD before submitting these samples.
- \*7** RPA serial dilution test; positive results are confirmed by means of ELISA.
- \*9** 'Complete' meaning serotyping of the most common poultry salmonellas.
- \*10** It concerns item numbers 11473 up to and including 11475, 11795 up to and including 11800.
- \*11** It concerns item numbers 11835 up to and including 11838.
- \*12** Quantity discounts: 1-3 isolates no discount, 4-5 isolates 7% discount, >5 isolates 10% discount.

## General information applicable to the rates

- General information applicable to all animal species rates.
- As from 1 January 2025 our rates and the rate structure of 2025 are applicable.
- The rates are exclusive of VAT and basic costs and apply subject to price changes. A differentiated rate applies to the basic costs: the basic costs for digitally registered samples via VeeOnline amount to EUR 4.30. The basic costs for samples not registered digitally amount to EUR 11.80. If you wish to receive your invoices or laboratory results by post, as from 1 January 2025 we will charge you a surcharge of EUR 3.95 per invoice for paper-based services.
- The turnaround time is stated in business days (Monday through Friday with the exception of recognised holidays). Any confirmation is not included. The turnaround time commences on the day the sample has been correctly and fully delivered to GD before 9:00 in the morning. "Turnaround time = 2" is understood to mean that if the sample is delivered to GD on business days before 9:00 in the morning, the customer will receive the results the next business day. Urgent tests, which for example have "turnaround time = 1", can only be conducted if the samples are delivered in a special emergency packaging.
- GD is ISO 17025 accredited by the Dutch Accreditation Council (RvA) for the performance of many laboratory tests under registration number L120 Testen. The current and updated information for every laboratory test is shown in the [GD webshop \(https://www.gdwebshop.nl/\)](https://www.gdwebshop.nl/).
- All work performed is subject to our general terms and conditions of sale and the terms and conditions of submission and acceptance. These can be requested via [+31 \(0\) 88 20 25 575 \(tel:31882025575\)](tel:+3120882025575) or can be viewed on our website.
- You will receive a 1 percent discount if you make use of direct debit collection. You can find the form on [www.gdanimalhealth.com/forms \(http://https://www.gdanimalhealth.com/Forms\)](http://https://www.gdanimalhealth.com/Forms).
- This list of rates was carefully composed. The rates mentioned apply as from 01-01-2025 and are subject to changes. The information on the website is regularly supplemented and/or adjusted. Royal GD reserves the right to implement any changes with immediate effect and without prior notice.
